Dear Ed,

What a great idea for National Coin Week! It will be exciting to learn of developments. In Corpus Christi there won't be club competition because Gladys Robbins is going after the award for the individual and without her neither of the clubs feels it could succeed. We will press for observance, however.

You will note that there is no reference to NCW in the January edition of "News Roundup - ANA" *in TNA News.* This was deliberate. George does not care to make a fool of himself again this year by putting in one thing and then having a different interpretation come along later. "The year-long effort" is the point in question. Please make very explicit what is meant and let it be known generally as soon as possible. With you as chairman and the committee you have the program should far outshine any of the past. Everyone needs to know, however, if all activities which promote the hobby from National Coin Week 1968 are to be included in reporting or just those from January 1969.

Please don't judge us too harshly. "Once burned, twice shy" you know.

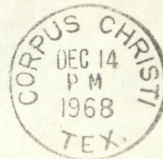

All good wishes for a Happy Holiday Season to you and yours and nothing but good for the coming year.

Cordially,

G. A. Mather
Mrs. G. A. Mather, Jr.
